North Valley Volleyball Camp

NVVBC is designed to develop individual skills for Middle and High School CIF competition. Camp will be instructed by coaches of the North Valley’s High School coaches along with the aid of their staffs and former players. It is our desire to help prepare you/your child for your up coming season. Camp is both a learning and competitive environment that will prepare you for your school’s try-outs. All of the staff are very passionate about volleyball and enjoy teaching the game to others. At the end of camp we hope that players will develop and improve skills to improve their individual game and instill confidence on the court.

Our instructional staff features Coaches from local High Schools.
