The Butte College Reg2Go program works with local schools to provide the necessary tools to successfully transition students from high school to college. High school seniors that participate in the program will complete orientation, counseling, and registration at Butte College before graduation.

This orientation will provide an overview of the program and information about campus resources. Presentations will also be facilitated by the our counseling department and financial aid office. For more information contact the Welcome Center at (530) 893-7467 reg2go@butte.edu
