She completes her work, participates in class, studies and it shows in class.	Supphakrit (Pun) Daorueng Pun (Leonardo) is an exceptional Spanish student. Pun not only accurate when he writes and speaks, but he is also a pro at telling us interesting stories and giving us lots of details and descriptions. Although soft-spoken, he is a confident, powerhouse when speaking Spanish.	Nate Weast Nate Weast is the Chosen One. Señora Calhoon appreciates how he is always willing to go BEYOND the minimum requirements of nearly every assignment. He's organized, mature, intelligent and has the study skills of a senior!	Evan "Juanito" Enserro "Juanito" is not afraid to take risks and therefore his Spanish skills are out of this world. You can hear him daily speaking Spanish naturally and with "ganas". He speaks Spanish BEYOND what the curriculum asks for and is extremely full of energy!
